

# Sprint 2 Report

Product Name: TopShop

Team Member Names: Ha Pham, Alfred Ly, Vy Pham, Brianna Atayan, Lior Peled, Jordan Hui

Sprint Completion Date: November 4, 2018

## Actions to stop doing

- Need to stop procrastinating on work
- Our stand-up meetings are taking longer than 15 minutes because of discussing technical questions

## Actions to start doing

- Put in more pull requests and push code more often
- Adhere to coding guidelines to keep format clean and readable

## Actions to keep doing

- Keep branches clean and up-to-date
- Keep asking for help if we are stuck on a problem

## Work completed / Not completed

- Work Completed
  - Frontend work for forms is done (8 story points)
  - Search repair order form
  - Search customers by name, ID
  - Vehicle inspection form (From Sprint 1)
- Work Not Completed
  - Search vehicles by license, VIN, features, etc
  - Populating forms in frontend

## Work Completion Rate
